Part 1– Marketing Services general terms

Part 1 applies to all Marketing Services

1 What is this document?

1.1 It applies to Marketing Services

This Product Schedule only applies to our Marketing Services. All references to Services in this Product Schedule refer to Marketing Services.

1.2 Definitions

Capitalised terms used in this Product Schedule have the meaning given to them in the Work Order, or the Experian Dictionary, accessible at www.experian.com.au/terms.

2 How is data licensed to you?

2.1 Data licensing

If we licence data to you under a Work Order (**Licensed Data**), you can use that data until the earlier of:

- the end of the Service Term; or
- the end of the licence period set out in the Work Order.

This is the “**Licence Period**”.

Licensed Data includes, but isn’t limited to the following (including where it’s appended to your data):

- consumer data variables (e.g. demographic, lifestyle and behaviour data);
- Mosaic groups and types;
- material downloaded from the Segmentation Portal; and
- any data or information we provide to you or which is downloaded by you (in any format, including via API) in connection with our Company360, Commercial Marketing and/or Spend Analytics Services.

2.2 Data deletion

- When the Licence Period ends, you must permanently delete all Licensed Data. This means making sure it can’t be recovered or accessed again, no matter where it’s stored. If we ask, you must provide us with written confirmation this has been done, signed by an authorised representative.
- However, if and to the extent required by Law, you can keep a copy of any Licensed Data. You must store the data securely and must not use or access it for any reason other than to meet your legal requirements. If we ask, you must provide us with written confirmation of your compliance with this clause.

3 What are your obligations?

- f. ensure that the Services or Experian Data are not resupplied, resold, or repackaged;
- g. restrict access to the Services to you and your Authorised Users only;
- h. only use the Services on hardware, networks, systems and software that meet any minimum specifications notified by us from time to time; and

Unless required by Law, you must not voluntarily produce any Experian Data in legal proceedings or identify us, our Related Bodies Corporate, the Services, or our Confidential Information as a source of reference.

3.2 You are responsible for Authorised Users

You are responsible for obtaining any necessary consents from your Personnel and Authorised Users in relation to this clause.

3.3 You are responsible for how you use the Services

The Services aren't designed or intended to be relied upon as the sole basis for any business decision. You are solely responsible for any decisions made (or not made) by you or your Authorised Users in relation to the use of the Services.
